## The passion for generations

The **Classic Forte by Jargar Strings** has a very brilliant and pure sound. Its fast bow response and firm righthand feeling work well with mellow instruments. In that special moment when the bow meets the strings, passion is set free. The right strings will colour this passion, express it powerfully, nuance it with warmth and brilliance, and follow your every move with the bow. Its sheer playability, sound qualities, and durability make it the perfect choice for anyone with passion.
