# EVOKE

## A new powerful sound

The **Evoke by Jargar Strings** brings out the essence of the Jargar sound with a new freshness and power. The Evoke set exhibits a powerful projection with a brilliant sound colour, a high modulation capacity, and a broad sound component. The sound texture is simultaneously fine and dense, which allows for articulation with ease and precision. Add to this a very fast and direct bow response, and you get a set that powers presence.
